

FOTIOS - KONSTANTINOS PLIAKAS

Dr. Civil Engineer

Professor DUTH

Department of Civil Engineering

School of Engineering

Democritus University of Thrace (DUTH), Greece

CURRICULUM VITAE

- ACADEMIC, ADMINISTRATIVE AND EDUCATIONAL ACTIVITIES
- SCIENTIFIC AND RESEARCH WORK

Xanthi, Greece

November 2023

CONTENTS

1. Personal information	1
2. Academic and educational activities	1
3. Scientific and research activities	3
4. Scientific papers	3
5. Journal / Publication Editing	21

1. Personal information

Fotios-Konstantinos Pliakas

Dr. Civil Engineer

Professor

Director of Engineering Geology Laboratory and Groundwater Research DUTH

Director of the Geotechnical Engineering Section DUTH (2011-2014)

Department of Civil Engineering, School of Engineering

Democritus University of Thrace (DUTH)

Address: Engineering Geology Laboratory and Groundwater Research,
Section of Geotechnical Engineering, Department of Civil
Engineering, School of Engineering, Democritus University of
Thrace (DUTH)
University Campus Xanthi - Kimmeria, 67100 Xanthi, Greece
Building B, office A.1.6.

Tel: +30 25410 79695

e-mail fpliakas@civil.duth.gr

Date of birth: 25/11/1956

Marital status: Married, two daughters

Home address: Ipirou 30, 67132 Xanthi, Greece

2. Academic and educational activities

→ Scientific field: Hydrology of Groundwater - Hydrogeological Research and Applications of Civil Engineers.

→ Educational activities:

- Teaching undergraduate courses (Department of Civil Engineering DUTH, Greece, 2023-2024):
 - Groundwater Engineering
 - Hydrology of Groundwater
 - Geoenvironmental Engineering.
- Teaching postgraduate courses (Program of Postgraduate studies "Hydraulic Engineering and the Environment" of the Department of Civil Engineering DUTH, Greece, 2023-2024):
 - Special Topics in Research and Management of Groundwater and Geothermal Energy (co-teaching with Em. Prof. I. Diamantis and Dr. N. Kazakis)
- Supervision of diploma theses and MSc theses (Department of Civil Engineering DUTH)
- Supervision of PhD dissertations (4) and co-supervision of PhD dissertations (6) (Department of Civil Engineering DUTH (4), School of Mining Engineering and Metallurgy, National Technical University of Athens NTUA (2))

- Co-examiner of PhD dissertations (Department of Civil Engineering DUTH, School of Geology, Aristotle University of Thessaloniki AUTH, Department of Natural Resources Development and Agricultural Engineering - Agricultural University of Athens)
 - Supervision of Post-Doc Research (Department of Civil Engineering DUTH)
 - Recent educational course notes (in Greek):
 - F.-K. Pliakas, (2023). Explanatory notes of lectures in Groundwater Engineering and Geoenvironmental Engineering courses, Department of Civil Engineering, DUTH, Xanthi, Greece, 158p.
 - Diamantis I., F.-K. Pliakas, A. Kallioras, (2023). Special Topics in Research and Management of Groundwater and Geothermal Energy – Coastal Aquifer Systems, Program of Postgraduate studies: Hydraulic Engineering and the Environment, Department of Civil Engineering DUTH, Xanthi, Greece, 130p.
 - Diamantis I., F.-K. Pliakas, A. Kallioras, (2023). Special Topics in Research and Management of Groundwater and Geothermal Energy – Managed Aquifer Recharge (MAR), Program of Postgraduate studies: Hydraulic Engineering and the Environment, Department of Civil Engineering DUTH, Xanthi, Greece, 241p.
 - Kallioras A., N. Kazakis, F.-K. Pliakas, (2023). Special Topics in Research and Management of Groundwater and Geothermal Energy – Groundwater Modelling and Model Codes, Program of Postgraduate studies: Hydraulic Engineering and the Environment, Department of Civil Engineering DUTH, Xanthi, Greece, 82p.
- Director of the Geotechnical Engineering Section, Department of Civil Engineering DUTH (2011-2012, 2012-2013, 2013-2014).
- Director of the Engineering Geology Laboratory, Department of Civil Engineering DUTH (2017 - 2022).
- Chair of the Committee on Student Affairs of the Department of Civil Engineering DUTH (2011-2014).
- Participation in administrative bodies and administrative activities of the Democritus University of Thrace (DUTH) and the Department of Civil Engineering DUTH.
- Participation in election and promotion of faculty members committees and procedures in several departments of Greek universities.
- Participation in evaluation of research projects of Universities (2013) and H.F.R.I. (Hellenic Foundation for Research and Innovation) (in Greek: Ε/ΙΔΕΚ) (2017).

3. Scientific and research activities

- Scientific and research interests: groundwater development and management, groundwater engineering, groundwater control in construction, groundwater modeling, managed aquifer recharge (MAR), quality of groundwater, pollution of groundwater, saline water intrusion in coastal aquifers, groundwater and soil salinization and desertification, water reuse, climate change and groundwater resources, transboundary rivers and aquifers, exploration and development of geothermal energy.
- Participation: (i) in organizing committees of Greek conferences, (ii) in scientific committees of Greek conferences, (iii) in scientific committees of international conferences, (iv) in organizing committees of scientific meetings in the framework of international projects.
- Participation in 41 research projects (36 Greek and 5 international projects, either as scientific coordinator or main researcher).
- Reviewer for 41 international scientific journals.

4. Scientific papers

→ Doctoral dissertation

Pliakas F., (1998). Research on appropriate methods of artificial recharge of alluvial aquifers in heterogeneous formations. Applications in aquifers at Xanthi plain region. PhD Thesis, Department of Civil Engineering, School of Engineering Democritus University of Thrace, Xanthi, Greece, 314 p. (in Greek).

→ Papers in scientific journals
