Θέμα Εγγράφου: International Competition of Student Scientific Works "Black Sea Science"

Dear colleagues!

The call to submit papers for the International Competition of Student Scientific Works "Black Sea Science 2026" is still open until **February 2, 2026**.

We welcome the students of your institution to participate in the following fields:

1. Food science and technology;
2. Economics and administration;
3. Information technologies, automation and robotics;
4. Power engineering and energy efficiency;
5. Ecology and environmental protection;
6. Tourism, hotel and restaurant business.

The authors of the best scientific works will be invited to participate in the online conference to present and discuss their work. Participation in the competition is free of charge.

More detailed information can be found on the official web-site
