**To:** rector@duth.gr  
**Subject:** Last 14 days for students to join the ICSC 2026 program, Democritus University of Thrace, Democritus University of Thrace (Deadline: Sunday, 5 July 2026)

Dear Democritus University of Thrace,

As students from Democritus University of Thrace in Greece participated in IYMC in previous years, I wanted to send a reminder that the Qualification Round of the International Computer Science Competition 2026 closes on **Sunday, 5 July 2026**. Students with a mathematical background tend to take to computer science problem-solving quickly, so ICSC is a natural complement to the work they already do.

Details and registration: <https://icscompetition.org/>

For any questions about the program, please contact: [teachers@icscompetition.org](mailto:teachers@icscompetition.org)

Best regards,  
Stefan Amberg
